THE MINISTER OF CIVIL AVIATION AND TOURISM (SHRI GHULAM NABI AZAD) : (a) and (b) : An agreement pertaining to Transfer of Technology (TOT) for manufacture of radars in India by M/s. Bharat Electronics Limited (BEL) has been signed by the American Company with the National Airports Authority (NAA). The scope of TOT covers the transfer of technical know-how including complete documentation, training, supply of jigs and fixtures to enable BEL manufacture and sell Airports Surveillance Radar and Monopulse Secondary Surveillance Radar. The agreement also provides for buy-back arrangements of components, modules, sub-systems and services from BEL by M/s. Westinghouse Overseas Corporation (WOSCO). The TOT Agreement will be in force for 8 years during which period M/s. WOSCO would supply BEL all updates and improvements to the radar systems for incorporation by BEL. BEL has also been given exclusive sales right in India and rights of non-exclusive sales in other countries excluding USA where it will be through M/s. WOSCO. The cost of TOT is US $ 5.954 million.
